Packed 1,000 per carton with a minimum order of 50,000 bags and a lead time of four weeks. Non-Standard Highlophane-® Potpourri bag, used for potpourri, candle flakes, soap and other scented products.

Standard Thickness:

Bags have a standard thickness tolerance of 0.6 to 0.8 gauge.

Custom Colors and Prints:

Standard print patterns as listed on the Clearphane® Print Chart may be ordered in custom colors with a minimum order of 100,000 linear feet or 100,000 bags of a color combination. A \$100 per color up-charge will be added to the above indicated list prices for matching any custom color(s). A \$70 per printing plate set up charge and a \$70 color match charge per color will be added to the above indicated list prices. If necessary to trim the material from the standard print widths listed on the Clearphane® Print Chart, the customer will be charged for the trim loss. HSC will provide artwork for custom print patterns at a charge of \$40 per hour plus out of pocket expenses for materials and services used to generate special print patterns plus an up-charge of 15%. For estimating purposes, plate costs will be \$1.15 per square inch, with square inches calculated assuming a 15" repeat times the width of the print. To expedite and assist color matching, HSC utilizes the Pantone® Color Formulation System. Customers must provide a full PMS number(s) and appropriate suffix (indicating coated (c) or uncoated (u)). Please allow a minimum of four weeks for shipment after final customer approval of the artwork and full specification of the order. HSC will ship the order quantity plus or minus 10%.
